INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(I) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Hon. Guion Miller,

Dear Sir;- Replying to your letter of recent date in reg rd to application number I7I58 for participation in Cheerokee funds arising from the appropriation by congress will say that I do not why my grandparents or my parents were never enrolled.

I do not, of my own knowledge , know of any one of my relatives that are on roll but have always been taught that I had Cheerokee blood in my veins and my mother informs me now that her fathers name was John Brooks and her grandfathers name was Cook Brooks and that she is satisfied that he was enrolled as he left Wilks County N. C. when the Indians were driven away from there and died in the Cheerokee Nation. My mother will now be willing to swear that we have Indian blood in our veins. I stated in my application that my mother was dead but have since learned that she is living.

Yours Respectfully, Sarah Ann Duffe

Sarah Ann Dugger, being first duly sworn and examined, deposes andsays:

My name is Sarah Ann Dugger: I was born in Wilkes Co., N. C. 1849: Iveclaim my Indian blood through my mother; I make no claim through my father: my mother was born in Wilkes Co., N. C. 1818; my mother got her Indian blood from her father; my grandfather's name was John Brooks ; he was born in Wilkes Co., N. C.; my grandfather got his Indian blood from his father, Cook Brooks; I think he was also born in N. C.; I do not know the year of his birth; my mother never lived with the Cherokees as a member of the tribe; her father would not let her: my grandfather, John Brooks, lived with the Cherokees as a member of the tribe: my great grandfather, Cook Brooks, was a half blood Cherokee and a Cherokee chief and went West with the Cherokee Indians when they were driven from this part of the country: I think they went West of the Miss. River: in 1835 my grandfather and mother lived in Wilkes Co., N. C.; in 1851 they lived at the same place; neither I nor any of the ancestors through whom I claim were ever enrolled and I do not remember of ever hearing of the enrollment: none of the ancestors through whom I claim were ever held as slaves: none of the ancestors through whom I claim ever received any money, land or other benefits; none of my ancestors ever had an Indian name; both I and my mother were always regarded as white people with Cherokee Indian blood.

From the testimony it would appear that this claimant is in fact a Creek and not a Cherokee, although he appears to have been enrolled as a Cherokee by the Dawes Commission. Examine the rights of the minor children through the mother, appl. of Vadie Jack, No. 17180 and examine testimony and application once again--probably to be rejected.

Nathaniel R./ Martin, being duly sworn, deposes and says:)

My name is Nathaniel R. Martin. I was born in Wayne Co. Tenn. in 1845. I claim to be an eighth Cherokee. I claim my Cherokee blood thru my father. My mother was a white woman. My father was born in Pope Co. Tenn. in 1818. My father claimed his Cherokee blood thru his father, Samuel Martin. My fathers mother was a white woman. I think my grandfather was born in Pope Co. Tenn. I never saw my grandfather thru whom I claim. I do not know when my grandfather was born. My grandfather died in the Indian Territory near Maysville, Ark. That is what I have been told. I do not know when my grandfather died. I do not know when my grandfather came from Tenn. to the Indian Territory. He was an Old Settler. (See Old Settler Roll for grandfather) I do not know whether my father ever came to the Indian Territory or not. I do not think my father came. I have heard from my father that he ran away from his father when he was on his way to the Indian Territory. My father went out in the country among the white people and remained with the white people after that time. I do not know what year it was that my father ran away. At the time I was born and at the time of the birth of my Self-brother was born my father was living among white people. In 1835 my father lived either in Giles, Lawrence or Wayne Co. Tenn. I do not know whether my father lived as a member of the Cherokee tribe in 1835 or not. In 1851 I think my father lived near the [illegible] line in Wayne Co. Tenn. I do not know whether my father or I were enrolled in 1851 or not. I do not think my father or I were enrolled. Neither I or my father ever received any money or land from the Government on account of having Cherokee blood.

I first came to the Indian Territory in 1870. My brother John Martin came with me. My brother John was admitted by the Cherokee Nation in 1880 and his children were enrolled by the Dawes Commission. I do not know the names of the children or the grand children of my brother.

I made application to be admitted to the Cherokee Nation in 1898, 1899, 1894 but it was never acted upon by the Council. I also made application before the Dawes Commission but my claim was not allowed for the reason that I had slept on my rights too long.

Grandnephew of my grandfather drew the Old Settler money that was due my grandfather. I never heard about it until it was too late.

I do not know the names of any of my uncles and aunts who were enrolled in 1851.

I do not know whether my father was a party to the treaty of 18[illegible]6 or not.

My Dear Sir:-

In reply to yours of March 5,will say,My parents were not married in I85I; My father was enrolled under the name of John Thompson in I85I; I do not know my grand father Thompson's first name, but I believe my grand mother Thompson's name was Polly in English or Wa-lee, in Cherokee; My grand parents came out to this country years ago but did not remain but a short time and returned to Ga. and I am confident that they were enrolled but I do not know where, whether here in this country or in Ga.; I was enrolled as a Cherokee under roll number 64I4.

I believe that on my mother's side of the house they were Old Settlers.

I am a full-blood and do not know but little about my ancestry,therefore can't give you but little information about them aside from what is stated above.

Very respectfully,

Appln. No. 17212.

Quien Miller.,

Washington D.C.

Dear Sir:

Replying to your favor of March 5th, I beg to submit the following; My name appears on the Cherokee roll, made by the Dawes Commission, as number 9728. My mother was enrolled in 1851 as Jane Fields, the daughter of Jack and Betsy Fields. My father, Robert D. Foster, was not enrolled in 1851, having married my mother in 1857. My grandfather, Jack Fields, the son of Richard Fields, I presume was on all the early made Cherokee rolls, say from 1835 to his death. I have been on all the Cherokee Rolls from the date of my birth, February 23rd, 1859 to the Dawes Commission Roll on which my number is Cherokee Roll No. 9728.

The story of my Great Grandfather, Richard Fields, as I have gathered it from the old settlers, is briefly as follows; about 1835 he went to Texas, from Tennessee or Georgia, with a band of cherokees and secured a grant of land from the Republic of Texas in what is now, Nacogdochas or Cherokee Counties, but from some reason he failed to secure possession of this land; after which he moved to the Cherokee Nation, probably in less to 1838. I do not know whether or not he was living in 1851.

DOMINION OBSERVATORY
MAR 15 1905

My mother, Jane Fields, was born on Honey Creek,
in the North East part of the CherokeeNation in 1842.

Respectfully.
Mrs Eva E Ratcliff.

My Mother Jane Fields was born in 1842 and appeared on
my Cherokee rolls in that name upto 1857
After that date upto her death in 1879 her name
wauld appear on the Cherokee rolls as
Jane Foster Wife of Robt D Foster
Previous to 1882 my name would appear
on many of the Cherokee rolls as Eva E Foster back
to the date of my birth in 1859

Dear Sir, We are not a little surprised at the way & manner in which the Eastern Emigrant Company have seen fit to treat us, after having taken the enclosed note which the merchants that acted for us on this Island gave to their agent - for their express

notary public, to be done by
the last of this month, and
to be sent to a lawyer at
Fayetteville, N.C. which I
will represent in Congress
next month. And the
merchants will go to mighty
work, besides people give notes
to be paid when the money is
paid out at 6 per cent interest. Perhaps you
may know something about
this. Another thing I want
to ask, the Supplemental appli-
cation blanks will send to
us and will let those pass by.

We did not know what to do. and he not agree. of the power of Attorney is picked out. then his delay comes out if the the chief pocket that sold goods on this, that. that the use of suit, like us. they to do. the merchants says if we have those power of Attorney duly made by the lawyer time, percent of the Amount collected. they want to collect what goods they have sold to us. out of the money appropriated by the Congress.

They are both of them very
sick but I cannot ask but
will wait to hear from
you. Please answer
what we can.

However, if all your children are of age, there is no necessity of filling out this supplemental application.

If further proof should be required inyour case, you will be duly notified by this Office.

Unless your claim is unusually complicated, there will be no necessity for you to employ an attorney.

This Office would not recognize any assignment of your claim.

That I am 74 years of age and live in Lamar Co., Tex. I claim my Indian descentthrough both parents. Don't know how much either of them claimed, but they were of Cherokee descent. They were born and raised in Carroll Co., Tenn. My Father is still living in Carroll Co., Tenn. Don't think he has made application. Don't know why. My Father is about 74 years of age. My mother was about 45 when she died. They always lived there in Carroll Co., Tenn. That is where my mother died. Don't know whether either of my parents ever lived with the Indians or not, nor do I know whether my grandparents did or not. I had an uncle, Governor Blue and an aunt Anna Fligen nee Blue, were enrolled so I have heard. Don't know what rolls they were on but I guess it was at Tahlequah. Don't know when, but it was since the war. My aunt lived close to Vinita Okla. and died there. They told me that she drew money and got land twice. I did not make application to the Dawes Commission. Don't know whether my father did or not. My parents were recognized as white people in the community. Never heard of either of my parents or grandparents ever receiving any money from the government. Have never been enrolled myself. Don't know where my grandparents were living in 1835. Don't know where they came from originally. I don't know whether they ever lived with the Indians as members of the tribe. My grandfather's name was either Tom or Sam Blue. My father's father was Joshua Springer. I think his mother's name was Thursey Springer nee Bryant. My parents nor grandparents never came west. None of my parents had any Indian names that I know of. I have a brother and two sisters living but don't think they have made application to participate in this fund.

Madam:-

Replying to your letter of July 22, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, you are advised that the applications have not been taken up for final consideration as the Court in its order of April 29, 1907 has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 31,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If you have any minor children you should fill out the inclosed application blank and return to this office.

Very respectfully,

NLC.

App. No. 17251 - 17250

Zoo May Cannon being first duly sworn, deposes and says:

I am 26 years of age. I was born and raised in Oklahoma. I get my Indian blood from my mother. I got the strip payment. I also got land through the Dawes Commission, No. 22035. I have never received benefits from any other tribe of Indians than the Cherokees. Nancy Beck was the maiden name of my mother. She married Hampton. I do not know where she was born. She would be somewhere in the forties if she were living at this time. My mother got her Indian blood through her mother, Martha Beck. I think she is on the 51 roll by that name. My mother had a sister named Eliza Beck. She married a Ward. My grandmother's name was Grann or Cloud at one time. My grandmother lived in Flint or Going Snake District in 1851. I don't know whether my mother had any brothers or not. She had a half sister, Ailsey Townsend. She had a daughter named Susie. I did not draw any Old Settler money, nor did any of my ancestors that I know of. I drew the grass money. Sarah Beck was a sister of my mother and I am sure that she is enrolled on the 1851 roll. My grandmother had an Indian name but I don't know what it was. It means (green) in English. My mother had two other sisters named Betty and Cherokee. I don't know whether my grandmother was married before she came to this country or not. Sarah Beck was born in Georgia. She came out here with my grandmother and she lived in this country. (Witness knows nothing about her ancestry.)

I think I am about 1/4 Cherokee. I have been enrolled by the Dawes Commission, but have not my number with me. My child's No. on Cherokee Roll is #10790. I claim Indian blood through both father and mother. My mother should appear as Sarah Hooks or Sarah Hildebrand. She was a step-daughter of Lewis Hildebrand. She lived in Delaware District. She was born and raised in the Old Cherokee Nation, East. She was about two years old when she was brought here. She was born in 18[illegible]5 and came here between 1835 and 1840. In 1851 she was living in the Delaware District. The statement in letter that my mother was born in 1853 is a mistake, as it was 1835, and my sister was born in 1853. My grandparents on my mother's side were Lucy Ratcliff, (They lived in the Cherokee nation.) After marriage Lucy Hildebrand was my grandmother's name. My father's name was Mike Hildebrand; Indian name Ceesh dah/nah. He was born and raised here, I think. I have four brothers and sisters: Alice Hildebrand, Charles, and Mary Jane Hildebrand. Appln. No. 20095-17256. Collinsville, Oklahoma, April 30th. 1908.

Hon. Guion Miller,

Washington, D. C.

Sir:-

Your letter of March 5, 1908, received, in which you desire me to state whether my mother was an Old Settler, whether she was enrolled in 1851, and if so, in what District, and under what name; you also ask me to give the full names of my grand-parents on both sides, and state, whether they, or any of them were ever enrolled, and if not, why; also whether I was enrolled by the Commission to the Five Civilized Tribes, and where, giving my roll number.

In reply, I will state that my mother's name was Mary Ann Pettit, nee Philips. She died about 1887 or 1888. Her name should appear on the Emigrant roll of 1851, as Mary Ann Philips, and should be found on said roll, in Tahlequah,District, Cherokee Nation.

The names of my grandparents, on my fathers side, were; Tom Pettit, a half-breed Cherokee indian, who lived in Flint District, Cherokee Nation, Indian Territory, and died about 1857 or 8; My grandmother's name on father's side was Peggie Pettit, nee Hendricks, she was a White woman.

The names of my grand parents, on my mothers side were; Jonas Philips, a white man, who died about 1859, and Sarah Philips, nee Timpson, a doughter of John Timpson,(who was nearly a full blood cherokee indian,) and his wife, Lucy Timpson, nee Blair. Their names should appear on the "Emigrant roll of 1835, and also the pay roll of 1851, in Tahlequah District, Cherokee Nation, Indian Territory.

The name of my father was Curry Pettit, and all that side of the family were "Old Settlers"; I was enrolled by the U. S. Commission to the Five Civilized Tribes, and my roll number is 14320.

Hopeing that this will be all the information necessary, in support of my claim to a share in the "Emigrant" or "Eastern" Cherokee money, I remain,

Very Respectfully,

[signature]

Collinsville, Oklahoma.

No 17256

Timothy Pettit, after being first duly sworn, deposes and says:

I am about 29 years of age; have been enrolled by the Dawes Commission and my number is 17998. I claim my Cherokee blood through both my mother and father. Neither of them were full bloods. I think my father drew Old Settler money. I have never gotten any Old Settler money. I drew Strip money. I do not know whether my mother drew Immigrant money in 1852. I am the oldest child. My mother was married just once. I never saw my mother's parents. My mother and father were married in the East. My mothers sisters and brothers were William, Mary Ann, Eliza, Nancy and Susie.

Write an affidavit just as you would write a letter, stating all the facts, circumstances, dates and places near as you can remember, and if your own personal knowledge and observation, and state how you know what you say to be true

Nc.35074.

June 9,1908.

J. D. Hall,

Wallace, Ala. Escambia Co.

Sir:-

Please advise this office whether your father was ever recognized by the Cherokee Indians as a member of the tribe. Why was he not enrolled in 1835 and 1851 if living at that time?

Why was not your grandfather, James Hall, enrolled as a Cherokee Indian? In what county in Georgia was he born? When did he move to Conecuh County, Alabama, and where did he live at the time of his death?

Was he ever recognized as a Cherokee Indian by the tribe, and as such was he entitled to the rights and benefits of the tribe?

Were you, or your ancestors, held as slaves? If so, were you owned by White people or Indians?

Respectfully,

Special Commissioner.
